

# After school and breakfast clubs

All primary schools now operate an 'extended day'. This means that they offer care and education services for children from 8am – 6pm, either within the school or in partnership with other local organisations.

## Before school :

Breakfast Clubs (sometimes known as Early Bird clubs) offer a snack and play or leisure activities usually starting at 8am. These usually cost between 50p and £2 a session and are now offered by many schools.

## After school:

Each school runs a range of activity clubs one day a week, for example sports, maths, drama, dance, usually until 4.30pm. These may vary over the course of the year. These are usually charged activities but in some cases schools may offer free places. Ask your school office for more information.

Schools also offer play centres or childcare, where your child can play with friends and experience a range of fun activities until 6pm, supported by qualified and experienced playworkers. These cost between £3 and £8.50 (usually £5) a session. If the school links with a local organisation to provide this service, then the staff will escort the children between the school and their centre.

If you are paying for these clubs to look after your child whilst you are at work, then you may be able to get claim Tax Credits to help you with the costs. Contact them on [www.hmrc.gov.uk/TAXCREDITS](http://www.hmrc.gov.uk/TAXCREDITS) or 0845 300 3900.

Some of these clubs sometimes run holiday playschemes during the summer or Easter holidays. These are marked **HP** Contact the Children's Information Service for up-to-date information about holiday schemes one month before the holidays, [www.learningtrust.co.uk/childcare](http://www.learningtrust.co.uk/childcare) or 020 8820 7590.

# Holiday playschemes

---

Every Easter and Summer holiday there are a number of holiday schemes that you can pay for your child to go to whilst you are at work. Information about the schemes is available about a month before the holiday. Do contact the Children's Information Service for more information, on [www.learningtrust.co.uk/childcare](http://www.learningtrust.co.uk/childcare) or 020 8820 7590. They cost between £9 and £35 a day.

Another alternative is a childminder. Someone who is registered to look after children in the childminders' own home. They can cost between £30 and £40 a day for each child. Do contact the Children's Information Service on 020 8820 7590 for an up-to-date list.

If you are looking for free activities for your child or children to do in the holidays, then do find out about your local adventure playground for fun play activities with a worker. Also parks, libraries, museums, and swimming pools all have free activities during the holidays. To find out more, go to your local library, or go to [www.hackney.gov.uk](http://www.hackney.gov.uk) or [www.learningtrust.gov.uk](http://www.learningtrust.gov.uk).

# Adventure playgrounds

---

You may have seen the large wooden structures where children can run, jump and climb. They are places where children can play and take risks, whilst knowing that there are friendly staff there to help if needed. The playgrounds are fenced in, and children can come and go after school, sometimes at Saturdays and on school holidays. Most adventure playgrounds have quiet places for children to read, or do homework, many have computers, and some have after school clubs, youth clubs for teenagers, or meeting space for parent and toddler groups.

**Contact your local adventure playground to check their current opening times** and to see what they have to offer.
