

Out of School and Play Guide

After School Clubs

After school clubs provide care and a range of play opportunities for children after school. Children under 8 must be escorted to and from the club by a scheme worker, parent or person nominated by the parent. The cost ranges between £3 to £5 a session. Why not find out from your child's school if they run an after school club.

Some of these clubs sometimes run holiday schemes during the summer or Easter holidays. These are marked **HP**. Contact the Children's Information Service for up-to-date information about holiday schemes one month before the holidays www.learningtrust.co.uk/childcare or 020 8820 7590.

Holiday Playschemes

Every Easter and Summer holiday there are a number of holiday schemes that you can pay for your child to go to whilst you are at work. Information about the schemes is available about a month before the holiday. Do contact the Children's Information Service for more information, on www.learningtrust.co.uk/childcare or 020 8820 7590. They cost between £9 and £35 a day.

Another alternative is a childminder. Someone who is registered to look after children in the childminders' own home. They can cost between £30 and £40 a day for each child. Do contact the Children's Information Service on 020 8820 7590 for an up-to-date list.

If you are looking for free activities for your child or children to do in the holidays. Do find out about your local adventure playground for fun play activities with a worker. Also parks, libraries, museums, and swimming pools all have free activities during the holidays. To find out more, go to your local library, or go to www.hackney.gov.uk or www.learningtrust.gov.uk.

Adventure Playgrounds

You may have seen the large wooden structures where children can run, jump and climb. They are places where children can play and take risks, whilst knowing that there are friendly staff there to help if needed. The playgrounds are fenced in, and children can come and go after school, sometimes at Saturdays and on school holidays. Most adventure playgrounds have quiet places for children to read, or do homework, many have computers, and some have after school clubs, youth clubs for teenagers, or meeting space for parent and toddler groups.

Contact your local adventure playground to check their current opening times and to see what they have to offer.

Supplementary Schools

Supplementary schools offer out-of-school-hours educational opportunities for children and young people. They can:

- offer a range of learning opportunities, including national curriculum subjects (English, maths and science, and others), religious studies, mother-tongue classes, cultural studies and a range of extra activities, such as sport, music, dance and drama.
- run throughout the week in the evenings, or at weekends
- operate from a variety of venues eg community centres, youth clubs, places of worship, mainstream schools.

For more information on Supplementary Schools in Hackney do contact: 020 8820 7339/19. For information about the services below please contact the supplementary school direct.
