

# Hackney childminder list and guide

This list is up-dated monthly with the latest information on vacancies and changes in childminders.

To get the most up-to-date list contact Family Information Service on 020 8820 7590

A childminder is a person who looks after your child in the childminder's own home. They provide a safe and caring home environment where children can play and develop their life skills. They are flexible and may look after your child when they are young for full or part-time; and they may drop off and pick up your child from school.

## Why should I choose a childminder?

- Your child will get individual attention (which makes childminding ideal for young children) in a home environment.
- Your child will have a familiar carer who provides play and learning activities and visits to local parks, toy libraries and children's centres.
- You may be able to get flexible hours that fit around your work.
- A childminder can support your family for years as your children grow and go to school.

## Suggested questions to ask

- How much do you charge? Do your fees include meals?
- How much do you charge for absence, sickness and holidays?
- What are your normal hours of work?
- When are you planning to take your holidays?
- How many other children do you look after? What are their ages?
- What activities and routines do you provide for the children?
- What do you do about sweets, snacks and drinks?
- How do you manage difficult behaviour?
- How would you deal with an emergency?
- What training and experience do you have?
- May I contact other parents whose children you have looked after for references?

## Some childminders provide 15 or 30 hours FREE childcare

Some childminders can offer the free entitlement of 15 hours for 3 and 4 yr olds, in addition some can provide the extended entitlement of 30 hours for working parents. Please check on the website to see if you are eligible for the 30 hours. [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk)

If you have a 2 year old and are on benefits you may be able to get a 15 hours free childcare from a childminder, please check on the website to see if you are eligible for the 15 hours for your 2 year old. [www.learningtrust.co.uk/free](http://www.learningtrust.co.uk/free)

Please call 0208 820 7590 for more information

## How much will it cost?

Fees average about £175 - £250 per week, and £4.00 to £9 per hour. Many families on low incomes may be able to claim tax credits to help with the cost. Phone the Tax Credit helpline on 0845 300 3900 or see the website [www.hmrc.gov.uk/taxcredits](http://www.hmrc.gov.uk/taxcredits)

## Contracts

Childminders are self-employed. You need to agree and sign a written contract with the childminder. You should both have a copy. If you want to change it later, sign and date both copies. It should cover illness, holidays, hours, fees, notice and anything else you and the childminder want clearly worked out to prevent disputes.

## Ofsted inspects all childminders

Ofsted grades all childminders - 'Outstanding', 'Good', 'Requires improvement or 'Inadequate'. We have put the Ofsted grade for each childminder in this list. If at the time of the inspection they have no younger children present or on roll, they will not receive a judgement grade, Ofsted will confirm at the inspection whether they are meeting the legal requirements, this is indicated on the list as Met or Not Met. Some will have no grade. This is likely to be because they only recently started. To see a copy of their full report go to [www.ofsted.gov.uk](http://www.ofsted.gov.uk)

## What is a childminder network?

In Hackney, we have a childminding network which covers local areas. Childminders are quality assessed before they join the network and are given training, advice and information to make sure that they are of high quality. Each network has its own Childminding Network Co-ordinator based at one of our Children's Centres that can help you find a childminder. You can tell which childminders in this list are in the network because we have marked them "member"
