

## De Beauvoir Primary School SENCo (0.6 FTE)

### To start September 2019

De Beauvoir is a one and a half form entry primary school located near the heart of Dalston in Hackney. Our school is collaborative, hard-working and committed to improving teaching and learning for our diverse and vibrant community.

We are seeking to recruit an experienced and talented SENCo to join our team. This is an exciting opportunity for an inspirational, motivated and ambitious practitioner to continue the excellent work of our current SENCo. The successful candidate will continue to improve provision for our pupils with SEND by leading and managing the provision map and intervention plan, coaching and mentoring support staff and teachers, working closely with external agencies and ensuring that pupils with SEND receive the support needed to do their very best at school.

#### **We wish to appoint a SENCo who has:**

- a proven track record of improving provision for pupils with SEND;
- determination to ensure that every lesson, every day, is good or better for all of our pupils;
- commitment to raising standards, expectations and outcomes through an inclusive approach;
- the ability to coach and mentor others effectively and work as part of a team;
- excellent organisational skills and the ability to prioritise effectively.

#### **We can offer you:**

- friendly, dynamic and enthusiastic pupils;
- a collaborative, dedicated and motivated staff team who work well together;
- the opportunity to contribute to the strategic direction of your subject with the senior leadership team;
- high quality CPD and opportunities to work alongside other leaders within Primary Advantage;
- leadership time to enable you to coach and mentor colleagues within lessons and work on school-wide projects;
- access to high quality professional development opportunities.

De Beauvoir is part of a federation of eight schools called Primary Advantage. We believe our schools gain many benefits from working collaboratively and can achieve more by working together. Our staff benefit from excellent CPD and opportunities for partnership work with other schools. Primary Advantage schools have made a commitment to a shared responsibility to the wider education community, the provision of good quality education and the improvement of life chances for pupils in the community beyond that of their own schools. Teachers, support staff, school leaders and Governors have added expertise from working alongside colleagues to improve provision and outcomes for pupils.
